

10 Month Option
TUITION & FEES

To secure your registration, a \$100 non-refundable registration fee and a non-refundable \$50 activity fee are due. Your child's enrollment will not be finalized until both payments are received.

Tuition is divided into 10 equal payments that are due the 1st of each month, September - June. There are no reductions in tuition for vacations, illness or withdrawal without notice. If tuition is not paid within 10 days, your account will incur a \$15 late fee for each week late.
